

Faceplate U/UTP Category 6

CopperOn Faceplates are designed and made from ABS plastic material ,to ensure the years of durable usage, and in accordance with TIA/EIA 568-B,ISO/IEC11801 and EN50173 standards, they accepted all kinds of Cat 3, Cat 5e and Cat 6 modules to fit with the different performance requirements, 1port to 4 ports are available.

Key Feature

- »» Fit for RJ45 Modules
- »» Can be installed U/UTP, F/UTP, SFTP modules, easy implement shield termination.
- »» 568A&568B color coding, easily cable termination.

Benefit

- »» High-impact, hardness and flexibility, prevention of accidental damage
- »» Flexibility design for installation level-off
- »» Appearance, material and style keep the same face with Strong electricity's faceplate

Transmission Performance

- »» Fully comply with and exceed TIA/EIA-568-B & ISO/IEC 11801 Cat.6 connect hardware requirements.

Certified: ISO9001:2008,ETL Verified
